15                   Case No. 2:11-cv-01117-KJD-CWH

16                   **ORDER**

17                   This is a *pro se* prisoner civil rights action filed pursuant to 42 U.S.C. § 1983. The  
18 court granted petitioner leave to proceed *in forma pauperis* and plaintiff paid the required initial  
19 installment. Thereafter, plaintiff moved to amend the complaint by way of a supplement, which the  
court denied, directing plaintiff to file an amended complaint which was complete within itself.  
20 (ECF No. 10). That order was returned to the court as undeliverable.

21                   Plaintiff, who is obligated to maintain a current address with the Clerk of the Court,  
22 LSR 2-2, has failed to advised the Court or the Clerk of his new address. Moreover, the previously  
23 submitted complaint fails to state a claim upon which relief may be granted, as it does not provide a  
24 plain statement of plaintiff's allegations. Rather it simply includes a list of defendants and an  
25 attachment of grievances that plaintiff alleges he has submitted to personnel at the Clark County  
26 Detention Center.
